

## SCNA CONSENT TO BE PHOTOGRAPHED

The Southern California Naturist Association (SCNA) ("Photographer") takes photographs (includes all photographs, film, audio, or other recording, still or moving) at events both public and private. Only someone authorized by a member of the SCNA Board of Directors (BOD) may take photographs. No photographs of identifiable minors will intentionally be taken. If any photographs of minors are inadvertently taken they will not be used without written permission from their parents. All people who consent to be identifiably photographed by the Photographer must give their prior written consent to have their photograph taken. Those who decline must request and wear a colored wristband. The Photographer will ask before any photograph is taken if everyone in camera range has given their prior written consent and will ask those wearing wristbands to remove themselves from the photograph, or obscure themselves enough to be unrecognizable.

Authorized SCNA photographs will be used to document club activities, inform both members and prospective members and **to promote Naturism via any media deemed appropriate by the SCNA BOD.** Media means all media including digital, electronic, print, television, film, radio and other media now known or to be invented.

Therefore, for valuable consideration received, **I grant to SCNA ("Photographer") and its legal representatives and assigns, the irrevocable and unrestricted right to use and publish photographs of me, or in which I may be included (except pornographic or defamatory), including those where I am partially or fully unclothed, for editorial, trade, advertising, and any other purpose and in any manner and medium; and to alter and composite the same without restriction and without my inspection or approval. I understand that the images of me may be used to promote Naturism.** Knowing that such use may intentionally or unintentionally give rise to the impression that I participate in Naturism, I nevertheless consent to this use. I hereby release Photographer and its legal representatives and assigns from all claims and liability relating to said photographs. This release is valid until revoked by me in writing and such revocation will not apply retroactively to the use, including future use, of photographs taken prior to revocation of consent.

- I CONSENT to have my photograph taken.
- I DO NOT CONSENT to have my photograph taken.
- I am over 18 years of age.
- I am the parent/guardian of this minor \_\_\_\_\_ and give my consent to the above.
